The Wisdom Jesus: Coming Soon

Discussions led by Donna Ross

At St. Paul's, Mon. April 18-May 23, 1:30-3 pm

The Wisdom Jesus, by Cynthia Bourgeault, describes Jesus as a man of wisdom and a teacher of wisdom.

In each of these sessions, we'll look more closely at Jesus of Nazareth and his *wisdom teachings*, and we'll also learn some *wisdom practices* inspired by Jesus' teachings.

You may enjoy reading The Wisdom Jesus, but you are welcome to attend these discussions without reading the book. In each session, Donna Ross will briefly summarize one of the book's themes, and then lead the group in a wisdom practice. (One or more of these simple practices may be just right for you in your own walk with God.) To join the discussion, call Donna Ross at 927-1989 or email donnaross@charter.net
